

# Feed 4 for \$1.00 with DECALS

Every dollar donated to the Venison Donation Program will provide 4 servings of nutritious venison to those in need. Donate a dollar or more when you buy your license this year. You don't have to be a sportsman to participate, so tell all your friends and family they too can donate where licenses are sold. Just inform a DECALS license agent you wish to make a donation to support the Venison Donation Program in their efforts to feed the hungry.
