

Helping Fight Hunger with the wise use of our Natural Resources

Did you know that one deer provides approximately 160 servings of highly nutritious ground venison to those in need? Since 2000, farmers, hunters, processors, sportmen's federations, the New York State Department of Environmental Conservation, The New York Federation of Resource Conservation & Development (RC&D) Councils, and Food Banks have worked together with the Venison Donation Coalition, Inc. to collect and distribute over 1.5 million servings of highly nutritious, low fat, high protein meat for those in need.

THANK YOU PARTNERS

This program could not have been successful without the help from the many dedicated partners who have volunteered time, services and support for this worthwhile effort. Please visit our website at www.VenisonDonation.com for a complete listing of our partners. Please support these groups and business.

THE NEW YORK FEDERATION OF RC&D COUNCILS

The RC&D Councils have assisted the Venison Donation Coalition since its inception. They are the accounting arm of the Coalition and assist us with the collection and distribution of funds to coordinate the the collection, processing and distribution of the donated venison.

FREE PROCESSING

Because donated deer must be professionally processed, the Venison Donation Coalition, Inc. has coordinated a program where legally tagged and properly field-dressed deer can be taken to participating processors....at no cost to the hunter or farmer.

- Meat cutters are recruited for participating and paid to process the donated deer.
- Processor sponsorship is dependent on area donations.
- The venison is processed and packaged according to the law.
- The meat is picked up by Food Banks for delivery to member agencies such as soup kitchens, food pantries, and needy families throughout New York State, in your communities.

Hunters and farmers **MUST CALL AHEAD** for FREE processing of any deer you wish to donate.

FOOD BANKS

Nine Food Banks have played a major role in New York's Venison Donation Program . Through their member agencies, the food banks have been the distribution centers for the venison to the needy. Should you or someone you know be in need of food, please contact the food bank that services your county. They are listed to the right.

Feed 4 for \$1.00 with D.E.C.A.L.S.

Every dollar donated to New York's Venison Donation program will provide 4 servings of nutritious venison to those in need. Donate a dollar or more when you buy your license this year. You don't have to be a sportsman to participate, so tell all your friends and family they too can donate where licenses are sold. Just inform a DECALS license agent you wish to make a donation to support New York's Venison Donation program. Efforts to feed the hungry have resulted in 1.5 million served in the past five years.
