How Can You Support Venison Donation?

It's as simple as 1-2-3

1. Donate dollars when you buy your license.
2. Donate your FIRST deer, it will help you keep hunting because your freezer is empty not the Food banks.
3. Use your imagination.....16 year old hunter Bryant Madigan of Bath did!

Bryant and his family have supported Venison Donation since its beginning in NY. Teaching young hunters to be good deer managers and good citizens is good stuff. Bryant advertised his support on the roof of his demolition derby car at the Steuben County Fair in August. Thousands of spectators could clearly see his roof from the grandstands!! Bryant came in second, but he's a "First" rate young man in our eyes.

Thanks Bryant...good luck hunting this year!
