***Venison Donation Coalition Needs You...***

The Venison Donation Coalition would like to remind all Deer Hunters that the deadline for Deer Management permits is October 1<sup>st</sup>, 2006.

Since license sales began August 14<sup>th</sup>, Town clerks and Retail DECALS outlets have been selling volumes of licenses and collecting dollar donations to help fund the Venison Donation Programs in New York.

Remember to get out and get your Deer Management permit and donate a dollar or more at any DECALS outlet. The instant lottery is a random computer program so your chances are the same on October 1<sup>st</sup> as they were on August 14<sup>th</sup>.

One thing we know for sure, we know your chances are 100% to succeed when you donate a dollar to Venison Donation you help feed 4 people in need in your community.

***Thanks for your continued support...Have a safe and successful hunting season.***
